a new york times best illustrated children s book of 2011 a picture book delight by a rising talent tells a cumulative tale with a mischievous twist features an audio read along the bear s hat is gone and he wants it back patiently and politely he asks the animals he comes across one by one whether they have seen it each animal says no some more elaborately than others but just as the bear begins to despond a deer comes by and asks a simple question that sparks the bear s memory and renews his search with a vengeance told completely in dialogue this delicious take on the classic repetitive tale plays out in sly illustrations laced with visual humor and winks at the reader with a wry irreverence that will have kids of all ages thrilled to be in on the joke

children s picturebooks are the very first books we encounter and play a major role in introducing us to both art and language but what does it take to create a successful picturebook for children this revised edition of a bestselling title carries invaluable insight into a highly productive dynamic sector of the publishing world featuring interviews with leading illustrators and publishers from across the

world it remains essential reading for students and aspiring children's book illustrators and writers
