the first five books of the bible contain many of its most famous stories populated by vivid characters altogether human in their triumphs and failings and an equally complicated deity many works of western art and literature appeal to these stories from michelangelo s painting of adam and eve to a novel like william faulkner s the three great abrahamic religions judaism christianity and islam are rooted here so is much of western political theory and constitutional polity for a good half of these books contains legislation torah of various kinds as indicated by the ancient title the book of the torah law and narrative together render the

character of the ancient covenant community known as israel as well as the god who rules over that community in this revised and expanded version of his popular book of 1988 mann engages literary criticism and theology in attending both to the composite nature of the torah or pentateuch and to its final canonical shape mann's study provides a lucid introduction to the heart of the hebrew bible suitable for students and general readers but also of interest to biblical scholars

the essential guide to jewish family life and fun activities at home and on the road updated and expanded this celebration of jewish family life is the perfect guide for families wanting to put a new jewish spin on holidays holy days and even the everyday full of activities games and history it is sure to inspire parents children and extended family to connect with judaism in fun creative ways with over eighty five easy to do activities to re invigorate age old jewish customs and make them fun for the whole family this book is more than just kids stuff it's about taking the jewish family experience to a new educational and entertaining level this new edition updated and expanded details activities for fun at home and away from home including recipes meaningful everyday and holiday crafts travel guides enriching entertainment and much much more clearly illustrated and full of easy to follow instructions this lively guide shows us how to take an active approach to exploring jewish tradition and have fun along the way topics include the shake rattle and roll grogger tooting your own shofar the family fun seder kid ish kiddush cup lip licking latkes sukkah building basics how to grow a family tree visiting jewish historical sites family camps and festivals the best and funnest in music books and websites for jewish families and much much more

leave your loved ones a legacy of blessings wisdom gratitude and hope done right an ethical will is a gift of love a way of saying this is what i found gave me satisfaction and gave my life meaning it animated my relationship to you and to your mother or father may it do the same for you i send this to you with much love from the foreword by rabbi harold s kushner ethical wills are precious spiritual documents windows into the souls of those who write them and are often a treasured part of a family's history these legacy letters sum up what you have learned in life and what you want most for and from your loved ones this book a unique combination of what is and how to offers a step by step process to help you prepare an ethical will of your own and provides a wide range of contemporary ethical wills to help you do it it reveals the ongoing relevance of this traditional jewish practice for people of all faiths all backgrounds the emotional power of the nearly one hundred last letters collected here written by both famous and ordinary jewish people will inspire you to live more fully now and to record your own blessings for the generations to come

the kids companion to the award winning putting god on the guest list 3rd ed how to reclaim the spiritual meaning of your child's bar or bat mitzvah used as an inspiring part of bar bat mitzvah preparation for parents in hundreds of congregations around the world jewish youngsters and their parents need to turn inward at bar and bat mitzvah time and ask themselves these hard questions why are we doing this what does it all mean at last a guide especially for kids to help them spiritually prepare for their bar bat mitzvah explains the core spiritual values of judaism to young people in a language they can understand questions at the end

of each chapter engage kids and let them offer their own thoughts a special section helps parents and kids find places to perform acts of tzedakah to honor the event newly revised and updated

to many people the law stands in opposition to the gospel while it may be possible to read paul's epistles this way the book of deuteronomy will not allow this reading like the book of romans in the new testament deuteronomy provides the most systematic and sustained presentation of theology in the old testament and like the gospel of john it represents mature theological reflection on god's great acts of salvation in this case associated with the exodus of israel from egypt the gospel according to moses begins and ends with the gracious work of god for undeserving subjects in a book that consists largely of moses' farewell sermons to his congregation israel's first pastor seeks to inspire his congregation to a life of faith and godliness in response to god's great mercy unfortunately for many christians deuteronomy is a dead book because we have lost sight of the gospel the essays in this collection arise from a larger project driven by a passion to recover for christians the life giving message of the old testament in general and the gospel according to moses in particular the meditations in this volume cover a wide range of topics from explorations into the origins of deuteronomy to considerations of the ethical and homiletical relevance of the book for christians today

anyone who has studied paul knows that probably the most complex problem he develops is his view of the law and its purpose the beauty of raisanen's work is that he recognizes and respects this complexity without himself becoming too dense to understand raisanen finds that paul's radicalized negative criticism of the law is peculiar to him unparalleled in the nt and without precedent in jewish thought with careful patient examination of various contexts raisanen leads his readers to see that paul has an oscillating even inconsistent view of the law this book is well written in clear readable english it is an important book recommended to any serious student of paul its strength is in raisanen's willingness to abandon preconceptions of what paul's view on the law should be according to some consistent plan and in allowing paul to speak for himself mary ann getty in the catholic biblical quarterly 1985 no 47

the gospel story begins in torah what culminates at golgotha starts with the rebellion in the garden the torah's story can be framed as a question how will the word of god overcome the human revolution torah story offers a student friendly introduction to the redemptive narrative housed in the first five books of the bible every main chapter introduces a section of torah with attention to its basic structure this is followed by another look at how this portion of torah connects to the rest of the christian bible the dynamic design includes opportunities in every chapter to make the most of torah study including helps for getting started focus questions key terms outline an interactive workshop with challenge questions and advanced questions suggestions for research projects next steps for further study a refreshingly new approach to the torah neither an introduction nor a commentary torah story provides an apprenticeship on the old testament's first five books but it also provides a model of how to read scripture intertextually with an eye to the new testament gospels it leaves no doubt as to the overarching unity

of the message and composition of the pentateuch the second edition is streamlined and simplified throughout with updated examples and new sidebars and imagery

the jerusalem talmud probably originated in tiberias in the school of johanen ben nappaha it is a compilation of teachings of the schools of tiberias sepphoris and caesarea it is written largely in a western aramaic dialect that differs from its babylonian counterpart

the role of the torah is poorly understood within the religious communities of both judaism and christianity but with varying causes its use in biblical salvation history is much more than the foundational text for israelite existence covenant and stipulation torah is the hebrew word for instruction not law and this sacred document contains not only the well known abrahamic covenant of grace but two core lessons the serious nature of sin and the fearful necessity of transforming grace torah of sin and grace provides a fresh honest and careful examination of both the torah and the relevant prophetic portions of the later hebrew bible which will reveal the fact that the biblical writers themselves had a larger understanding of the role of the torah and that this understanding always incorporated the recognition of the failed israelite covenant resulting in the core lessons concerning the sinfulness of man and the supernatural grace that rescues him much of the book discusses the unfolding of this glorious rescuing grace for both jew and gentile including the new things revealed by the prophets such as the new covenant the suffering servant the ingathering of the gentiles and the future of israel and their land
