mention the phrase homeland security and heated debates emerge about state uses and abuses of legal authority this timely book is a comprehensive treatise on the constitutional and legal history behind the power of the modern state to police its citizens dubber explores the roots of the power to police the most expansive and least limitable of governmental powers by focusing on its most obvious and problematic manifestation criminal law he argues that the defining characteristics of this power including the inability to accurately define it reflect its origins in the discretionary and virtually limitless patriarchal power of the householder over his household the paradox of patriarchal police power as the most troubling yet least scrutinized of governmental powers can begin to be resolved by subjecting this branch of government to the critical analysis it merits dubber shows us that the question must become how can the police power and criminal law together serve the goals of social equity that define and give direction to contemporary democratic societies this book goes to the heart of this neglected but crucial topic

what is the standard view of history is completely wrong what if science and writing developed from an advanced prehistoric civilisation in the british isles what is written evidence in the dead sea scrolls records megalithic history and provides the plans for a machine that could rebuild civilisation following a global catastrophe and what if jesus and his brother james were practitioners of megalithic astronomy in uriel s machine knight lomas offer powerful new evidence that our planet was hit by seven mountain sized lumps of comet creating a series of giant waves that ripped across the globe putting together the latest findings of leading geologists with their own sensational new archaeological discoveries they show how a civilisation emerged and was able to build an international network of sophisticated astronomical observatories which provided accurate calendars could measure the diameter of the planet

and accurately predict comet impact years in advance the revelation that this is the true purpose of the great megalithic sites in western europe built long before the egyptian pyramids
